Double Impinger Holder for AirChek TOUCH, Essential, and Connect Sample Pumps

Cat. No. 225-20-03

Operating Instructions

The Double Impinger Holder for the AirChek® TOUCH, Essential, and Connect Sample Pumps is used to attach two impingers or an impinger and impinger trap to the pump for area sampling. The stainless steel holder has a toggle on the back that is easily attached to the pump belt clip as follows:

1. Turn the holder on its side and insert the toggle on the back into the slot in the pump belt clip.

2. Rotate the holder 90 degrees so that the toggle catches on either side of the slot and is secure. The bottom plate of the holder should be parallel with the bottom of the pump.
